

GROUP DISCUSSION

Prof. MANJRI M

FACULTY Employability Skills

CTIS,ISMA,MACT

MARCH 2025

FEW SUGGESTIONS ON HOW TO START IN GD?

1. Greet the facilitator who is conducting GD and group members.
2. I would like to start by saying.....(say what you want to say)
3. What an interesting topic we have today! (if applicable)
4. Today's topic is current topic of discussion. (if applicable)
5. Today's topic is in limelight. (if applicable)
6. Happy to be part of this group discussion
7. I am looking forward to hear views from each of one.
(before that you express your views)
8. Start with quote/ phrase (Make it short)

FEW SUGGESTIONS IF YOU WANT TO AGREE WITH ANY GROUP MEMBER

- Yes I agree with you or
- I agree with my fellow mate or take name
- or look at the person
- or say ma'am or sir
- I second what my friend/fellow mate just mentioned.
- I strongly support your views.(look at the person)
- I cant agree more.

FEW SUGGESTIONS IF YOU WANT TO DISAGREE

- With due respect to your views , but in my opinion ..(say your views)
- I partly agree....(then say your views)
- I respect your views but my views are different...
- Honestly in my views...(say your views)
- The way I look at this issue/topic/angle/ it is totally different... (say what you want to say)
- In my perspective(say your views)

FEW SUGGESTIONS WHILE SHARING ANY DATA OR NUMBERS

- As a matter of fact, let me share this data with you/ all of you
- Let me explain this with data...
- I am not saying this, these are facts, data show this...
- As pername of the person
- I read this inbook/magazine/ mention book and author
- **Don't be aggressive**
- **Be assertive**
- **Be polite and be professional**

AREAS FOR GROUP DISCUSSION

- Politics
- Environment
- Health
