

PROGRAMME: BCA SEMESTER- 4

Teaching-Learning & Evaluation Plan

Couse Information:

Course Code: Code: Course Title: Employability Skills
Credits Units: 02 Contact Hours: 45hrs L - T - P: 2-0-0
CA: UE Weightage - 50:50 Pass Marks (IA and ESE): NA and 40% Aggregate Pass Marks: 40%
UE Question Paper Marks: 50 Special Examination Fees: NA Pre-requisite (if any): NA
Course Facilitator (s): Jyothi Shanbhag/Manjiri Maslekar/Derrick

Programme Outcomes (POs) and Programme Specific

Programme Outcomes (POs)

At the end of the programme, students will be able to	
PO 1	Computational Knowledge: Understand and apply mathematical foundation, computing and domain knowledge for the conceptualization of computing models from defined problems.
PO 2	Problem Analysis: Ability to identify, critically analyze and formulate complex computing problems using fundamentals of computer science and application domains.
PO 3	Design / Development of Solutions: Ability to transform complex business scenarios and contemporary issues into problems, investigate, understand and propose integrated solutions using emerging technologies.
PO 4	Conduct Investigations of Complex Computing Problems: Ability to devise and conduct experiments, interpret data and provide well informed conclusions.
PO 5	Modern Tool Usage: Ability to select modern computing tools, skills and techniques necessary for innovative software solutions.
PO 6	Professional Ethics: Ability to apply and commit professional ethics and cyber regulations in a global economic environment.
PO 7	Life-long Learning: Recognize the need for and develop the ability to engage in continuous learning as a Computing professional.
PO 8	Project Management: Ability to understand management and computing principles with computing knowledge to manage projects in multidisciplinary environments.
PO 9	Communication Efficacy: Communicate effectively with the computing community as well as society by being able to comprehend effective documentations and presentations.
PO 10	Societal & Environmental Concern: Ability to recognize economic, environmental, social, health, legal, ethical issues involved in the use of computer technology and other consequential responsibilities relevant to professional practice.
P011	Individual & Team Work: Ability to work as a member or leader in diverse teams in multidisciplinary environment.
P012	Innovation and Entrepreneurship: Identify opportunities, entrepreneurship vision and use of innovative ideas to create value and wealth for the betterment of the individual and society.

Programme Specific Outcomes (PSOs)

PSO 01	Design, implement, populate, and query the relational databases for operational data.
PSO 02	Import and evaluate very large datasets to make business decisions.
PSO 03	Execute real-time analytical methods on streaming data sets to react quickly to customer needs.
PSO 04	Mine data and carry out predictive modelling and analytics to support business decision making.

	Course Objective:
CO1	To enable students to understand how and why personality of an individual is important and address the limitation in their individual personalities.
CO2	To enable students thrive to be an effective communicators by practicing various skills and also help them in becoming well-groomed individuals in terms of both verbal and non-verbal communication.
CO3	To enable the students to make good presentation and also help them discuss and argue about the topic given, it helps them to express their views on serious subjects and in formal situations. It improves your thinking, listening and speaking skills.
CO4	To enable students to comprehend and practice important business etiquettes and behavior under any given situation.
CO5	To enable students to learn effective resume building skills and will understand the industry standards and procedures. They are also trained to crack important internship and job interviews.

	Course Outcomes	Blooms Taxonomy Level
CO1	Interpreting and building self-awareness, shape their personality and accept the types of personalities that exists and fill the gaps to build personality to match the industry standards.	L2
CO2	Develop their communication skill and EQ and will be able to communicate professionally.	L6
CO3	Appraising their confident about themselves in terms of facing GD and do presentation effectively.	L4
CO4	Reflecting on the importance of etiquettes in the world of business.	L5
CO5	Display the capability to face interviews along with effective resumes to support.	L3

Course Outcome Table:

Course Outcomes	Skills	POs	Bloom's Taxonomy Level	Assessment Tools
C01	Understanding	P02, P05, P010, P012	L2	Presentation, Practical
C02	Apply	P07, P08, P09, P010	L3	Presentation, Practical
C03	Analyze	P02, P03, P05, P06, P07, P08, P09, P010, P012	L4	Presentation, Practical
C04	Create	P03, P04, P05, P06, P07, P08, P09, P010, P012	L6	Presentation, Practical

C05	Evaluate	P05, P06, P07, P09, P010, P012	L5	Presentation, Practical

SYLLABUS				
Module No	Contents	Assessments and Activity	CO Mapping	PO Mapping
Module 1 (5 Hours)	Module 1. Self-Awareness and Personality development: - Understanding Self-awareness and types of self awareness - Definition & concept of Personality - Personality types (ABCD type) - Types of Personality- Online Personality test (BIG FIVE) - Self-Analysis, Self Confidence and Self Esteem – Pick and Speak, Mirror talks, Self-praise talks on stage.	Activity 1.BIG FIVE, 16 personality test. Activity2. Pick and Speak, Mirror talks, Self-praise talks on stage.	CO1	PO9, PO7
Module 2 (7 Hours)	Module 2: Communication Skills - What is communication? What are the 7 C's of effective communication? - Verbal andNon –Verbal Communication Skills - Memo writing, Letter Writing and Types of letter - Understanding Interpersonal Skill and activities on Interpersonal Skill Enhancements.	Activity: Activity 4. Non Verbal Cues Activity 5. Email writing Memo writing Presenting a topic on stage. Activity 6: EQ test online Module Quiz Blended Learning:	CO2	PO1, PO5,PO7

	Introduction to Emotional Intelligence and testing emotional quotient.	Activity -7: (LinkedIn Online Certification)		
Module 3 (7 Hours)	Group Discussion and Presentation Skills Group Discussion - Importance of Group Discussions; - Difference between Group Discussion, Panel Discussion and Debate; - Format of GD as used in national level recruitment boards, - Rules, ambience and normal practices, Presentation Skills - Nature of Oral Presentation; - Planning a Presentation, - Preparing the Presentation; - Delivering the Presentation.	Activity 8: Presentation on topic Activity 9: 4 different Group discussion session on general topics.	CO3	PO1,PO7
Module 4 (4 Hours)	Etiquette and Mannerism- - Introduction; Professional etiquette – - Etiquette at meetings, Dining, Social etiquettes - Technology Etiquette – Phone, Email, Social Media, Video Conferencing,	Assessment: Module Quiz Activity-10: Mock Video conferencing session, meeting sessions. Activity-11: Quiz on email etiquettes.	CO4	PO1, P07,PO5,P09
Module 5 (7 Hours)	Module 5: Preparing for Employment /Internships and Interviews & resume - Interview Skill and Techniques. Types of interviews, Most expected questions in the interviews. Ways to crack interviews. Do's and don'ts on interviews. - Resume Building and formats: Different formats of resumes, ways to build effective resumes, do's and don't of resumes. Resume checking sessions. Portfolio building methods.	Activity12: resume building session. Activity 13: Mock interviews Activity 14: Quiz and videos. Activity 15: Final Assessment	CO5	P07,PO5,P09

Textbook

1. Gulla, a. (2017). Creating Values in Life (1st ed.) - Module 1
2. Crucial Conversations: Tools for Talking When Stakes are High by Kerry Patterson, Joseph Grenny, Ron McMillan, Al Sw
- Module 2
3. Emotional Intelligence by Daniel Goleman – Module 2
4. Speak to Win: Brain Tracy : Module 3
5. Tracy, B. The Power of Self-Confidence (1st ed.): Module 3
6. 50 Etiquettes Lesson: by Katherine Flannery (Author): Module 4
7. Unleash the Power of Storytelling: Win Hearts, Change Minds, Get Results: Module 5
8. Mastering Interviews and GDs- Mathur D, Paperback, 2012: Module 5

Activity-1: Presentation Skills- 25 marks activity

Presentation Skills: Students should assess prepare a Ppt and then present the topic on the Diaz and explain the points in detail. Their presentation skills will be evaluated. Th

Rubrics and Description of Parameters Presentation skills		
Sl. No.	Parameters	Description
1	Attire	To check the candidate's ability on how they carry formal attire 1. Ironed formal shirt and trousers, matching tie and blazer 2. Formal hair style (maintained short hair and or long hair were tied for both men and women) 3. Clean shave (for men) 4. Wearing formal shoes (not slippers or floaters)
2	Communication skill	Communication skills which is verbal and non verbal communication to be analyzed during presentation: 1. Verbal communication: Ability of flawless communication. (no of times stopped, tried to gather words, number of times interrupted =said Hmm) 2. Use of formal language, jargons and technical words as per the subject. 3. Maintaining eye to eye contact with an audience 4. Maintained positive facial expressions or gestures made 5. Appropriate leg & hand movements .(distractive hand movements were made and hands in the pocket of the trousers, folded, unstable legs)
3	Content /Knowledge	Knowledge / Awareness about the topic/subject of the presentation 1. Well versed about the information on the topic presented. 2. Has enough knowledge on the topic. 3. Ability to handle the questions asked on the topic. 4. Students own /personal thoughts/content are explained rationally from diverse angle and or well supported by facts & data.(if applicable for the subject)
4	Creativity	To assess the ability of being creative for the presentation. 1. Whether used and applied any Audiovisual material. 2. Whether involved audience in the presentation
5	Team building	To assess the team building spirit of the group. 1. Whether all group members tool equal efforts for the presentation. 2. Helping, supporting and encouraging weak student in the group. 3. Coordination among the grp members while presentation. 4. Respect and empathy towards each group member
6	Time management	To asses the time management skills of the group 1. Time restriction followed for the presentation. 2. Time slot for each member allotted equal or unequal.

Activity 2: Writing Skill: This involves students writing skill assessment. Students will be asked to write a report on a topic and will also be assessed on email writing techniques and etiquettes.

Rubrics for report writing and Email writing: 25 marks activity

Report Writing Criteria	Outstanding (5)	Proficient (4)	Competent (3)	Developing (2)	Limited (1)
Content and Information	Demonstrates thorough understanding of the topic. All relevant information is included and accurately presented.	Presents a comprehensive overview of the topic. Most relevant information is included and accurately presented.	Presents an adequate overview of the topic. Some relevant information is included and accurately presented.	Presents limited information on the topic. Some inaccuracies are present.	Fails to provide sufficient information. Information is inaccurate or irrelevant.

Organization	Logical and effective organization. Clear introduction, body, and conclusion. Ideas flow seamlessly.	Well-organized with a clear introduction, body, and conclusion. Ideas are presented in a logical sequence.	Adequately organized with an introduction, body, and conclusion. Ideas are somewhat organized.	Organization is somewhat confusing. The report lacks a clear introduction, body, or conclusion.	Poor organization. Ideas are disjointed, and there is no clear structure.
Clarity and Cohesion	Exceptionally clear and cohesive. Sentences and paragraphs are well-structured and contribute to the overall flow.	Clear and cohesive. Most sentences and paragraphs contribute to the overall flow.	Adequate clarity and cohesion. Some sentences or paragraphs may be unclear or disjointed.	Limited clarity and cohesion. Several sentences or paragraphs are unclear or do not contribute to the overall flow.	Poor clarity and cohesion. The report is difficult to follow.
Grammar and Mechanics	Exceptionally well-written with minimal grammatical errors. Demonstrates a strong command of language mechanics.	Well-written with few grammatical errors. Demonstrates a good command of language mechanics.	Adequate writing with some grammatical errors. Demonstrates a basic command of language mechanics.	Writing is marred by numerous grammatical errors. Demonstrates a limited command of language mechanics.	Poorly written with pervasive grammatical errors. Demonstrates a lack of command of language mechanics.
Use of Visuals (if applicable)	Effectively incorporates visuals that enhance understanding. Graphics are relevant, clear, and well-labeled.	Incorporates visuals that support the content. Graphics are mostly relevant, clear, and adequately labeled.	Includes visuals, but their relevance or clarity may be questionable.	Visuals are present but do not significantly contribute to understanding.	No use of visuals or visuals are irrelevant and unclear.
Citations and References	Accurately cites all sources using a consistent and appropriate citation style.	Accurately cites most sources using a consistent and appropriate citation style.	Includes citations but may have some inaccuracies or inconsistencies.	Citations are present but may be inaccurate or inconsistent.	No or inadequate use of citations.
Overall Impression	Exceptional work that exceeds expectations.	Solid work that meets expectations.	Adequate work that partially meets expectations.	Work needs improvement to meet expectations.	Unsatisfactory work that does not meet expectations.

Rubrics for email writing:’

Criteria	Exemplary (5)	Proficient (4)	Competent (3)	Developing (2)	Limited (1)
Clarity and Conciseness	Exceptionally clear and concise. The message is well-organized with a clear purpose and easy to understand.	Clear and concise. The message is well-organized with a defined purpose and easy to understand.	Adequately clear and concise. The message is generally well-organized but may have some redundancies.	Somewhat clear and concise. The message lacks clarity or includes unnecessary details.	Unclear and verbose. The message is difficult to follow due to excessive details or lack of clarity.
Professional Tone	Maintains a consistently professional tone throughout. Language is respectful, appropriate, and aligns with the context.	Maintains a professional tone. Language is mostly respectful and appropriate for the context.	Generally maintains a professional tone. Some instances of language may be less formal or slightly inappropriate.	Tone is inconsistent or occasionally inappropriate. Language may be too casual for the context.	Lacks a professional tone. Language is consistently inappropriate or too casual.
Grammar and Spelling	Exceptionally well-written with no grammatical or spelling errors. Demonstrates a strong command of language mechanics.	Well-written with few grammatical or spelling errors. Demonstrates a good command of language mechanics.	Adequate writing with some grammatical or spelling errors. Demonstrates a basic command of language mechanics.	Writing is marred by numerous grammatical or spelling errors. Demonstrates a limited command of language mechanics.	Poorly written with pervasive grammatical or spelling errors. Demonstrates a lack of command of language mechanics.

Purpose and Relevance	Clearly states the purpose of the email. All content is relevant to the subject and purpose.	States the purpose of the email. Most content is relevant to the subject and purpose.	Adequately states the purpose of the email. Some content may be tangential or irrelevant.	Purpose of the email is unclear or not well-defined. Content is largely irrelevant.	Purpose of the email is unclear or absent. Content is entirely irrelevant.
Organization	Exceptionally well-organized with a clear structure. Ideas flow seamlessly, and information is presented in a logical sequence.	Well-organized with a clear structure. Ideas are presented in a logical sequence.	Adequately organized with an identifiable structure. Some ideas may be presented in a less logical sequence.	Organization is somewhat confusing. The email lacks a clear structure.	Poor organization. Ideas are disjointed, and there is no clear structure.
Attachments and Formatting	Effectively uses attachments and formatting to enhance the email. Attachments are relevant, well-labelled, and easily accessible.	Uses attachments and formatting to support the email. Attachments are mostly relevant, well-labelled, and easily accessible.	Includes attachments and formatting, but their relevance or clarity may be questionable.	Attachments or formatting are present but do not significantly contribute to the email.	No use of attachments or formatting, or they are irrelevant and unclear.
Overall Impression	Exceptional work that exceeds expectations.	Solid work that meets expectations.	Adequate work that partially meets expectations.	Work needs improvement to meet expectations.	Unsatisfactory work that does not meet expectations

Activity 3: Group Discussion: 25 Marks.

Students are asked to participate in group discussion activity and are individually scored based on their performance in this activity.

Sl. No.	Parameters	Description
1	Interpersonal Skill	To check the candidate's ability on how they interact with each other 1. Interacts with everybody in the group 2. Remains calm, has the ability to stick to the objective 3. Has the ability to empathize 4. Is non-threatening and more of a team player
2	Body language	Body language, which is non verbal communication, must be analyzed during Group Discussion, like: 1. Conscious on how to sit 2. On camera throughout and maintained positive facial expressions 3. Hand movements or gestures made
3	Listening skill	Candidate's ability to listen to the group while he talks also 1. Listens attentively 2. Willingness to accommodate others view
4	Leadership & Initiation	Takes up the initiation & shows leadership qualities by: 1. Able to initiate the Discussion 2. Able to guide the group 3. Encourage all the members to participate
5	Persuasion & Influencing Skills	Is able to persuade the entire group members 1. Ability to analyze and persuade others 2. Has positive and tactful tone 3. Clarity of speech enables members to understand exactly what is being said

6	General Awareness	Awareness about the current affairs & knowledge about the topic 1. Well versed with the current happenings 2. Has enough knowledge on the topic 3.Thoughts are explained rationally and well supported by facts & data.
---	-------------------	---

Activity 4: Mock Interview: Students will individually attend mock interview which will be conducted by the faculty member.

Rubric for the mock Interview: 25 Marks

Skill/Attribute	Explanation	Rating (1 to 5)
Job & Industry Knowledge	Knowledge of the stream & industry. Competent enough to stay industry relevant. Have a zeal towards having a career in a corporate. Understanding of various job profiles of respective stream.	
Communication Skills	Clarity & fluency of thoughts. Maintained positive expressions & eye contact. Pronunciation of words & manner of speech. Listening ability.	
Interpersonal & Team Skills	Attitude towards self & others, ability to get along with people, persuasion, coordination and influencing skills. Carry self-esteem.	
Personality & Attitude	Professional attire, creating a favourable impression and demonstrating a positive attitude. Being warm, interactive, energetic & enthusiastic.	
Analytical Skills	Logic in presenting options and views, interpretation of information, mental alertness, asking probing questions.	
Leadership	Envisioning the future & setting directions. Aligning structure, systems and people to the visions / goal. Leading through example and motivating teams to achieve goals.
